Aurora

Argo 8x8

2019 PARTS MANUAL

Aurora 800
Aurora 800 SX
Aurora 800 SX Hunt Master
Aurora 800 Limited

For factory installed accessory parts included with your vehicle see 2019 Aurora Accessories Manual

Ontario Drive & Gear Limited **Manual No. 10733C** **2019/11/28**
www.argoxtv.com **Printed in Canada**

Foreword

ODG has prepared this parts manual for the Aurora models to assist both qualified mechanics and vehicle owners in ordering correct, quality replacement ARGO parts. For the most current parts manual contact your dealer or visit our website at www.argoxtv.com.

Proper and regular service, and replacing old, worn or broken parts with the correct ARGO replacement parts, are both essential to prolonging the life of the ARGO. Please refer to this parts manual and/or our website www.argoxtv.com before ordering any replacement part.

All information contained in this Aurora Parts Manual is based on the latest product specification available at time of release. If your Aurora differs from the specifications contained in this manual, contact your dealer for the most current information.

ODG reserves the right to alter specifications on the Aurora models at any time, without obligation or prior notification.

Reproduction of this Aurora Parts Manual, in whole or in part, is prohibited without prior written permission from Ontario Drive & Gear Limited.

Vehicle Identification

Aurora - 2019 Serial Nos... last 5 digits of V.I.N.

Explanation of Parts Manual Format

Ref - Reference number between assembly diagram and component parts list

Part No. - Argo replacement part number for identification and re-ordering

Description - Part description for identification and re-ordering

Qty - Indicates the quantity of a part used in an assembly

Using the Parts Manual

1. Find the major vehicle assembly in the Table of Contents on this page, and turn to that section.

2. Locate the part in the illustration that you wish to order.

3. Refer to the parts list in that section.

4. Find the correct part number (Part No.), part description (Description) and correct quantity (Qty).

5. Use *only* this information to order ARGO replacement parts. *DO NOT* attempt to order a replacement part by reference number or page number.
